Thought I should forward this along.
Please note the changes are for incidents which happen effective August 2.
The "old rules" are still in effect for arrests/buys that happened before 08/02/12.

Thanks

Subject: Trafficking Weights

Hi –

Yes - the Cocaine and Heroin trafficking weights did change, effective August 2, 2012.

The new changes are:

18 grams or more but less than 36 grams

36 grams or more but less than 100 grams

What stayed the same:

100 grams or more but less than 200 grams

200 grams or more

As a side note – mandatory minimums changed, and the definitions of school zone changed (300 feet, if the violation occurs between 5 am and midnight).
